Specifications

Bulb characteristics
- Shape: Linear
- Type: T3
- Base: RSC
- Voltage: 120 V
- Dimmable

Power consumption
- Wattage: 150 W
- Wattage equivalent: 200 W

Light characteristics
- Color rendering index (CRI): 100
- Color temperature: 2850 K
- Light output: 570 lumen
- Light effect/finish: Clear

Durability
- Average life (at 2.7 hrs/day): 1.5 year(s)
- Lifetime of lamps: 1650 hour(s)

Bulb dimensions
- Height: 4.65 inch
- Width: 0.47 inch

Highlights

Instant on

Just by flipping the switch, your room is at full brightness. No slow starting or waiting.

Substitute for incandescent
This 40W Ecovantage flood light bulb provides a bright, white beam of light that is ideal for general room lighting. It is perfect for indoor recessed ceiling fixtures.

Reduces energy costs
This EcoVantage bulb saves up to 25% in electricity costs when compared to a 150W T3, and has an estimated yearly energy cost of $18.07**.
